

Professional Coach: John Davidson, HLP Group

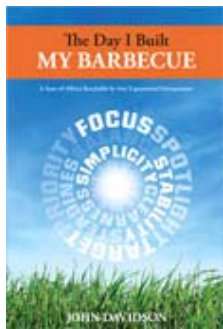

John Davidson, Head Coach of **High Level Performance, Inc.**, has been working with managers, entrepreneurs, teams, and executives for the past 13 years, helping them set and reach impossible goals by taking themselves and their organizations to soaring heights of productivity and profitability. HLP Groups' clients include executives and teams with Cingular Wireless, Salomon Smith Barney, State Farm, Chicago Title, Land America Title, Security Union Title, Gateway Title, and Knoll Furniture. 45 "coaching clients" interact with HLP on a weekly coaching call to steer them toward their vision and goals, in addition to 27 organizations who request HLP's help for various projects, speaking, training, and consulting. One of his clients became the 31st fastest growing privately owned company in the US in 2006-2007, and 3rd in San Diego. John has designed and delivered presentations to The California Bottled Water Associate, Disney, Singapore Airlines, Clothestime, American Agents Alliance, Cushman and Wakefield, The Dallas Cowboys, Century 21, and the Southern California Chambers of Commerce Executive Committee, among many others. And 30 Chambers of commerce in Southern California have invited HLP to speak to their membership, with his simple and effective business building strategies.

HLP Group has published three books on Amazon.com and other major retailers, with unique methods to liberate business owners become more creatively free, valuable, and on-purpose.
